Forecast for Thursday 03 Jun 2021

Weather: Banks of mist and low cloud in south and east of area slowly dispersing in the morning. Then many ranges dry and bright with sunny spells. Thicker cloud edging up from the south during the afternoon with a few light showers, mainly over Perthshire hills.

Chance of cloud free mountain/hill tops above 800m: 80%

Visibility: Mist patches at lower levels in east at first. Otherwise very good although a slight haziness will result in more distant hills lacking clarity. Occasional cloud cover forming about 800 to 900m in the afternoon.
